

## THE ETHICS COMMISSION

The Ethics Commission has the jurisdiction to review allegations of any violation of the City's Ethics Code, Section 12.01 of the City Charter and Section 171 of the Texas Local Government Code. The Ethics Commission does not have the authority to review allegations of violations of other bodies of law, nor can it resolve any city dispute not specifically delegated by the Ethics Code. All scheduled meetings of the Ethics Commission shall be conducted at City Hall and posted in accordance with the Texas Open Meetings Act. The public is welcome to attend any open session portion of a meeting. However, executive sessions are closed, as this is when the Ethics Commission consults with its attorney and discusses confidential matters.
